

AIRGEL

**GEL DIFFUSER BOX
FOR NEUTRALISING UNPLEASANT SMELLS**

Long-lasting

7 good reasons for using AIRGEL

1. **Polymerised gel tablet** with a high concentration of active ingredients in a refillable diffuser.
2. **Diffuses** active ingredients and **neutralises** completely smells of human, animal or vegetable origin and deodorises.
3. **EFFICIENT**: lasts **1 to 3 months** depending on ventilation and temperature conditions.
4. Discrete, non-mechanical diffuser box uses **no electricity**; can be used in all professional activities.
5. Uses the induced air movements of doors or ventilation systems.
6. Pleasant fragrances: **2 fragrances** available: Fruity and Floral.
7. Without propellant gas or propellant related humidity; diffuses **immediately**.

Particularly suitable for use in

Transport

Public buildings

Leisure activities

Sports halls, conference rooms, changing rooms, sanitation, underground containers, rubbish containers, halls, garages, organic waste storage premises.

Neutralises unpleasant and tenacious smells such as must, sweat, sanitation, compost, organic waste, faeces, urine, smoke....

Characteristics	Instructions for use
<p>Appearance: solid gel in a plastic film. Can be used in transparent diffuser box (available separately) Pack of 12 flowpacks + 2 diffuser boxes 2 fragrances: fruity and floral</p> <p>For more information, see MSDS.</p>	<p>Remove the gel tablet from the plastic film and place it in the diffuser provided. Remove the protective film from the double-sided adhesive on the back of the diffuser. Stick it on a dry, clean and flat surface (at the top of a door, on a wall or on furniture...) in the area to be treated, near the source of the bad smells (toilet, rubbish containers, ventilation outlets...all areas where there are unpleasant and tenacious smells).</p> <p>Use in well ventilated areas. Replace the gel tablet when the product no longer diffuses its fragrance. The diffuser can treat up to 60 m³. Long-lasting action: up to 3 months depending on ventilation and ambient temperature conditions.</p>
