

# FLUO MARK

## FLUORESCENT PAINT

### 7 goods reasons for using FLUO MARK

1. Very **bright** and **weather resistant**.
2. Can be used to make numerous, **very thin** signs and markings.
3. **Clean** of use.
4. **Dries quickly**, even on wet surfaces.
5. Reliable, with **regular** flow.
6. Easy to use with its **ergonomic cap**.
7. **Free** from chlorinated solvents, lead and cadmium.

### Particularly suitable for use in

Public buildings

Service industry

For fluorescent signage and safety markings.

For colour coding identification.

Paint specially designed for use in earthworks companies, public works, forestry, municipal technical services, sports departments, road maintenance and safety departments, electricity suppliers, water services and surveyors.

| Characteristics   | Paint Marking stick   | Instructions for use   |
|---|---|--|
| Acrylic binder, mineral and organic pigments, lead-free, solvent-based.<br>Drying time: under 5 mins<br>Net volume: 500 ml<br><br>STANDARD FLUORESCENT CO-LOURS<br>- Red - Orange - Blue<br><br>For more information: see MSDS. |  | Mix well by shaking the aerosol upside-down. You should hear the mixing balls clearly.<br>Twist the cap to open.<br>Spray from a distance of 20 cm.<br>Purge the nozzle after each use by spraying in an upright position for a few seconds. This will prevent clogging of the valve. Close the cap. |
