

# MANOLAV

**HAND-WASH GEL FOR WORKSHOP  
SOLVENT FREE**

**100% plant-based abrasive  
(olive-stone flour, cellulose)**

## 7 good reason for using **MANOLAV**

1. MANOLAV easily removes heavy soiling caused by: sludge, grease, tar, brake dust...
2. Formula containing a mix of 100% **naturel-based** abrasives (olive-stone flour, cellulose).
3. **Soft, creamy** texture and a satisfactory abrasion to improve the product efficiency with a 'microbrushing' action.
4. Contains superfatting and **hydrating** agents (glycerine) leaving hands particularly soft.
5. Distinctive **lavender** fragrance leaving hands lightly scented after use.
6. Petrol and vegetable **solvent-free**.
7. Can be removed easily by rinsing with **water**.

## Particularly suitable for use in

Industry

Public buildings

Construction

Agriculture

Can be used for cleaning heavily soiled hands in workshops, construction sites, garages, maintenance departments, printing plants...).
