

MULBIO NG

DEGREASING & TAR REMOVAL
Ready to use

7 good reasons to use MULBO NG

1. With a very high **degreasing capacity**, dissolves fat, oil, on all surfaces.
2. High tar removing power; eliminates most glues and inks.
3. **Vegetable** based.
4. **Non-flammable**, MULBIO NG eliminates all obligation of having to classify the ATEX zone according to the law of July 8th, 2003.
5. **Without V.O.C.**, MULBIO NG does not come under the law of May 19th, 2000 concerning the emissions of V.O.C. and by the decree 2002-680 concerning the authorization or the declaration of use with the authorities.
6. Oil solvent **free**.
7. **Easy and ready** to use.

Particularly suitable for use in

Construction

Industry

Public buildings

Dissolves tar, oil, fats, grease oil effectively.

Removes tar intended to protect cables.

Removes inks on machines in the textile industry replacing chlorinated solvents.

Cleans and degreases tar tanks.

Degreases mechanical parts, car engines, heavy goods vehicle (HGV), chassis, vehicles of public works, farm tools.

Cleaning of machine and truck chassis, degreasing of steel sheet, equipment, etc...

Characteristics	JUMBO 9	Instructions for use
<p>Inert on metals and plastics. Appearance: brown liquid Density: 0.89 +/-0,01 Flash point : N/A non applicable V.O.C.: None Composition: with natural vegetable solvent and with biodegradable surfactants, free from chlorinated, petroleum and terpenic hydrocarbons. Labelling: none</p> <p>For more information: see MSDS.</p>		<p>Apply either by spraying, or by energetic brushing. Leave to act for a few moments. Rinse with water under pressure.</p> <p>If soaking, immerse pieces. Leave to act. Rinse with clean water. Wipe with a rag or an air brush.</p>
