

SYNACTIF

HYDRO-ALCOHOL CLEANING AGENT

7 good reasons for using SYNACTIF

1. SYNACTIF is a hydro-alcohol cleaning agent.
2. Excellent surface **scaling** with a strong **dirt-penetrating** capacity.
3. **Inactive** on metal, plastic, aluminium, glass.
4. Does not clog the floors : Has an exceptional **anti-deposit** effect.
5. Sulphur, potassium and phosphate **free**. Doesn't contain petroleum hydrocarbons.
6. Thanks to its non-foaming property, we can monitor the degreasing operation until complete elimination of soils.
7. **Non-inflammable**.

Particularly suitable for use in

Public buildings

Industry
